

Welcome to Handcrafted 2019!

Perkins' *Handcrafted 2019* is the premiere arts immersion experience of the year and we are thrilled you are able to join us. This event is shrouded in secrecy and promises to fill every one of your senses all evening long! From flame-working and pottery, to Latin dance and circus immersion, Perkins Center for the Arts invites you to celebrate the arts in all of its forms! Opportunities to participate in Qi Gong and Tai Chi as well as Garden Tours, or listen to multiple genres of music, will guide attendees through the event. Attendees may be immortalized at this year's event by fashion illustrator Denise Fike or by one of our photographers.

Where Am I Going? Attendees will park at the William Allen Middle School (801 North Stanwick Road, Moorestown). Shuttle services provided by Albert's Transportation will whisk attendees on a brief, one-mile journey to the estate where they will experience an unique arts immersion experience.

What Time Am I Expected? VIP attendees will be transported to the estate beginning at 4:50 PM. All other ticket holders will be shuttled beginning at 6:05. A volunteer will check attendees in at the parking lot, but we encourage you to bring your emailed receipt of your ticket purchase.

What Should I Wear? This event will take place both indoors and outdoors so please dress for the weather and for the natural floor of the great outdoors. Handcrafted 2019 is an invitation to wear spring garden party attire, but please, **NO HIGH HEELS**.

How will I get back to my car? No worries! The Alberts Transportation group will run shuttles every 15 minutes during the event so that attendees can come and go as necessary. Easy to board shuttle buses will provide comfortable transport to and from the venue. *The last shuttle will leave at 10:15.*

Will there be food and beverages? Yes! From select international small-batch vineyards to handcrafted micro-brews and artisanal spirits, guests will have the opportunity to sample from a variety of beverages. Sparkling water, spring water, coffee and almond juice will also be available. Food from the celebrity chefs at Harvest, Saving Thyme, Sweet Lucy's, and Chef Robert Bennett at Classic Cake will tantalize your taste buds all evening long!

What else is happening at Handcrafted 2019? Prepare yourself for Perkins' first annual Plein Air competition and auction. Artists from the region will be creating masterpieces for auction at the event. Additionally, the Handcrafted Silent Auction will include such items as Scottish Rite theater tickets, Philadelphia Orchestra tickets and Virtua Fitness and Framework Pilates memberships just to name a few items!
